

Regional Location: First Baptist Church, Guymon

At YEC students will learn how to follow in Jesus' footsteps in sharing the light of the Gospel to the lost world around us with clarity and confidence! You are invited to bring your youth group (7th-12th graders). Your core students will learn to go deeper with Jesus; fringe students will be encouraged to go all in for Jesus, and the unsaved will hear the gospel and called to respond in faith to Jesus Christ.
